

## CAPABILITY STATEMENT

Riley Paint Company and Riley Industrial Painting operate with the same integrity today as we did in 1922. We are a family-owned business providing **full-service industrial coatings** from manufacture to application and delivery. We provide **MIL Spec** paint production, painting services, recycling services, and ammunition container assembly. Our experienced lab can **produce customized industrial coatings** that are designed to specifications using our extensive inventory to create a range of products and services. Riley is dedicated to manufacturing coatings that meet or exceed performance and environmental specifications. **Customer satisfaction** and our ability to create a **superior product** remain our primary goals. We are committed to understanding customer needs and delivering a premium product.
